Diversity: The condition of being different or having differences.
Variety, an instance or a point of difference

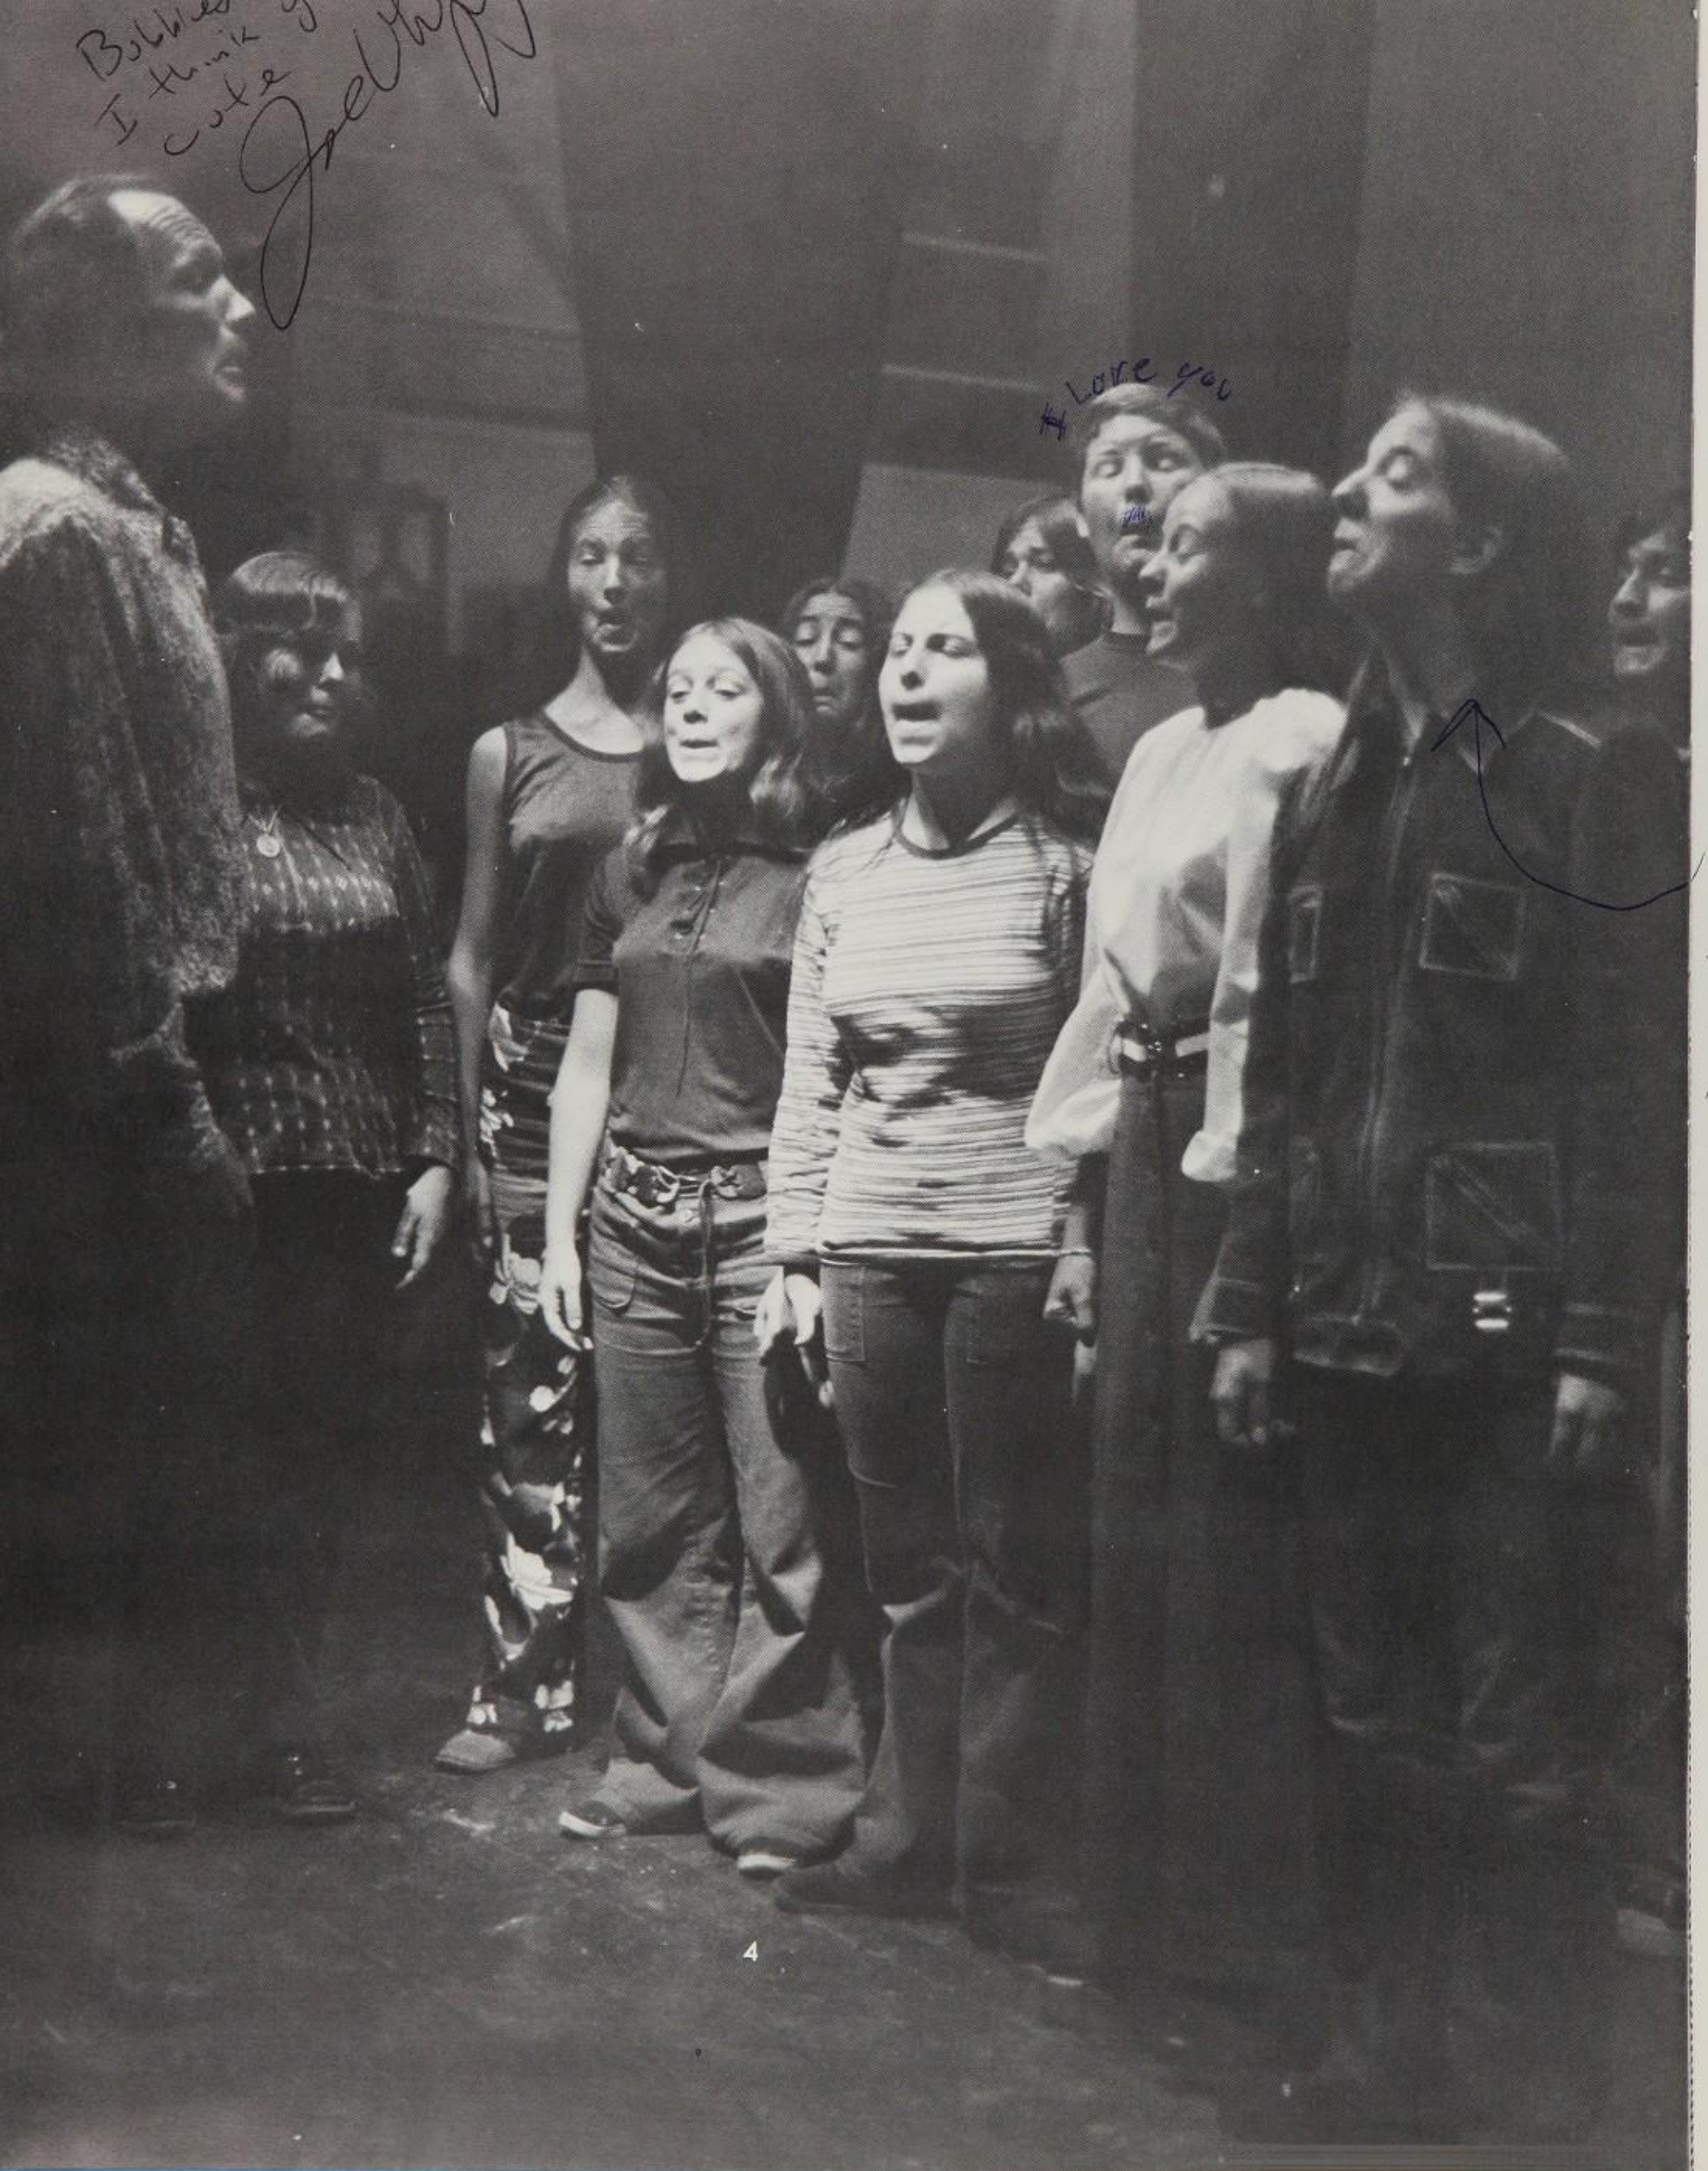
The fact or quality of being diverse; difference.
A point or respect in which things differ.
Variety: multiformity: as "a healthy diversity in one's diet."

A state or an instance of difference: unlikeness.
Multiformity; dissimilitude; as "diversity of opinion."

If there is that much difference in a dictionaries definition of diversity, imagine the dissimilitudes between the concepts, goals and philosophys of the students.

The 1973 Carlmont Yearbook will endeavor to demonstrate to you the diversity contained in one high school in one small community. Our combined goals, attitudes toward curricula structure, attitudes in social grouping, attitudes in determining what each of us hopes to accomplish in a four year high school level, or in other words, diversification of total student expectations.

God made all snowflakes beautiful . . .
as he did all men,
learn to see the beauty then,
in all of them.



I love you

Dear Bubs...
How I hate this picture. Of all the pictures to put
here they had to put this one in. It was fun in
"Sixpence". Just think I may have you on the
Mike Douglas Show.

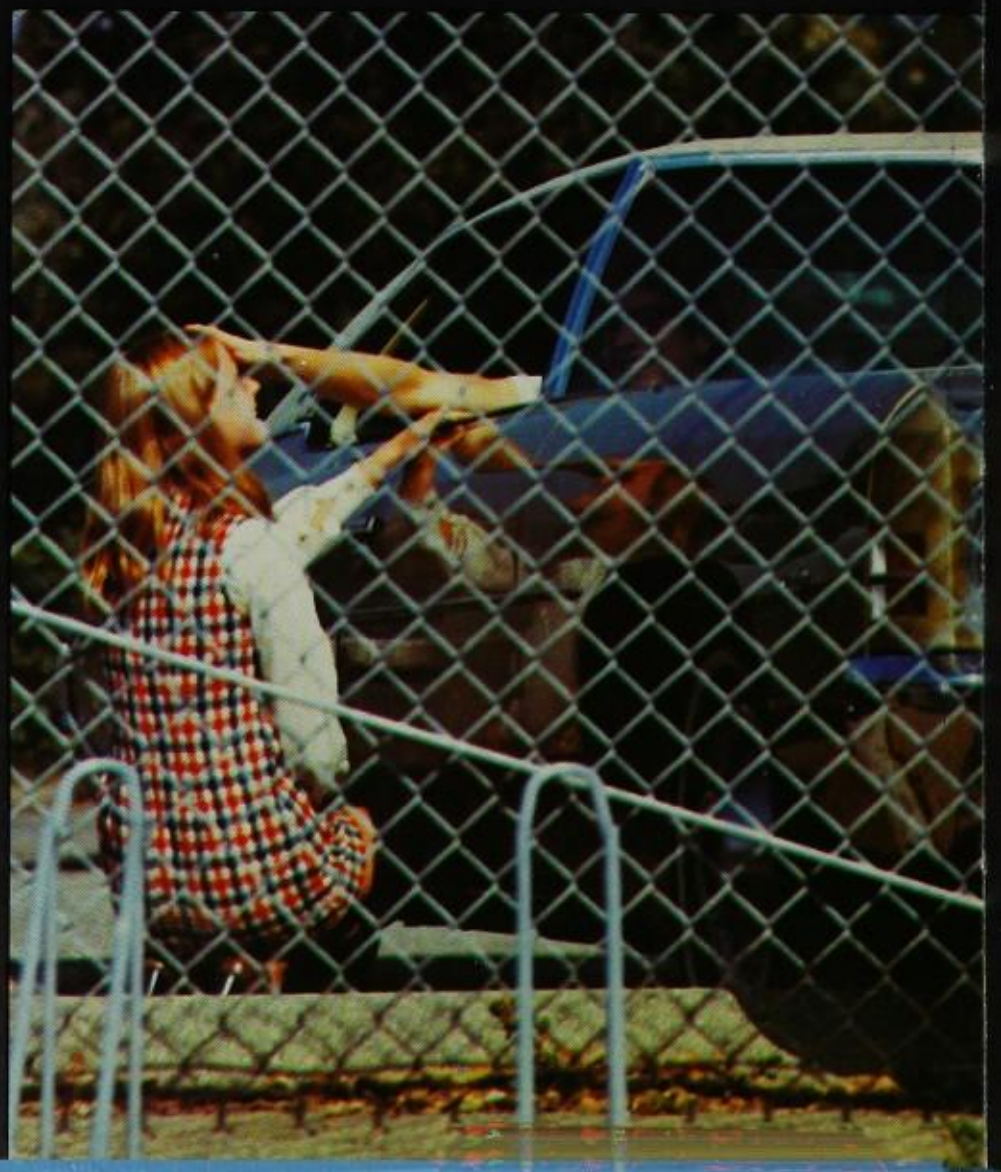
Charlotte

The bitterest thing in our todays sorrow,
is the memory of our yesterday joy.



Think about the good times, just once today.

Write me a poem,
make me a song,
tell me a story,
mold me a vase.
I don't yet know.
So, write me a poem
using few words,
my span of attention
is five lines, no more.

You make my day

Solitude is a silent storm that breaks down all our dead branches;
Yet it sends our living roots deeper into the living heart of the living earth.

A climber in distress?

An attempt to climb Mount Carlmont (the gym).

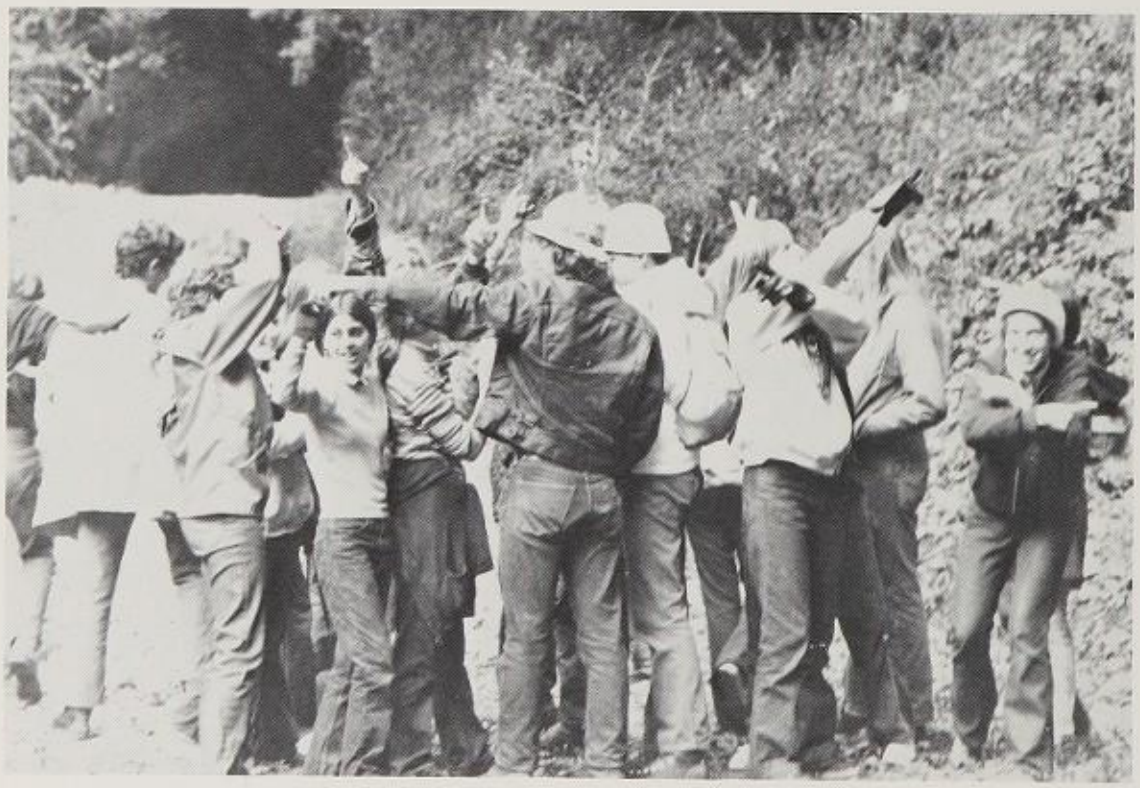
The victim: Kathy Rogers is surrounded by the forces of evil. She is ruthlessly and unscrupulously kidnapped. The ransom: A dozen cans of "Cragmont Sparkling Punch."

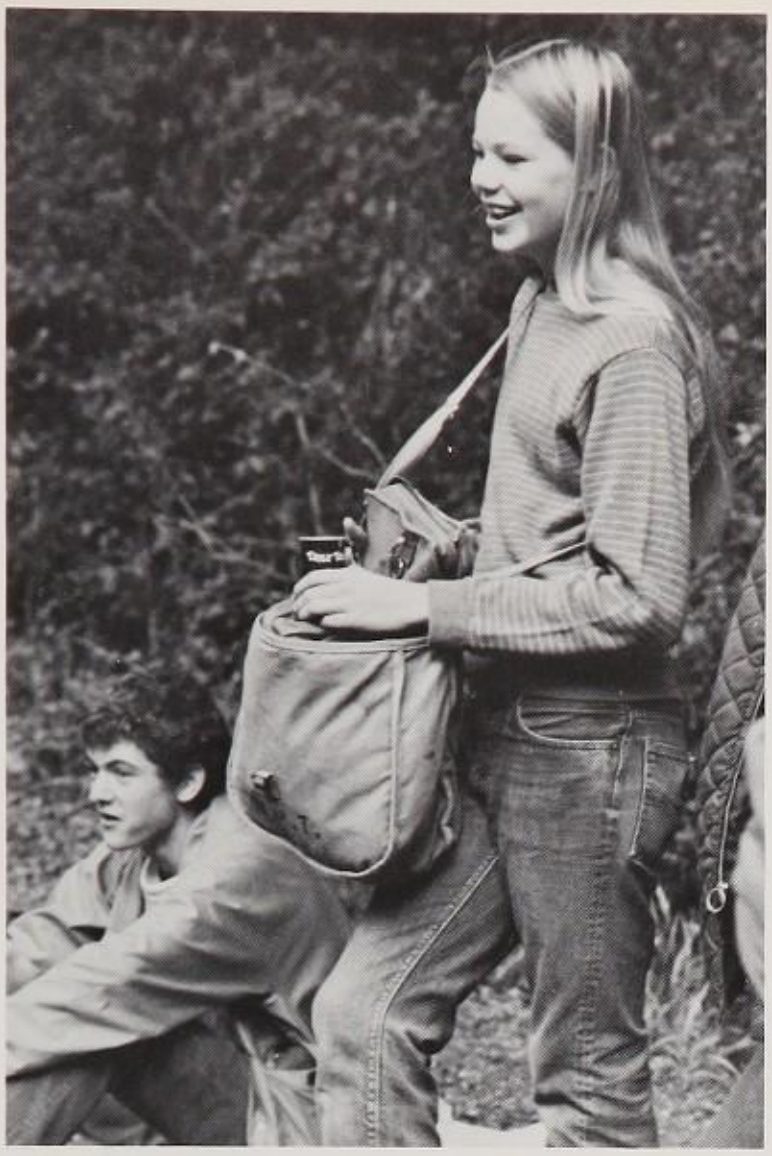
"No, I haven't seen her," innocently states Jan Wiesenfeld while she gingerly holds her can of "Cragmont Sparkling Punch." Bev Jungsten and Karen Truscelli stand in the background.

# Kidnapped

"Kidnapped," the exciting novel by Robert Louis Stevenson, has been adapted into yearbook form for the first time ever! This colorless pictorial includes the villains, the victim, the Sierra Club, the suspense, and the drama of Stevenson's greatest work. "Kidnapped" is brought to you by the canners of "Cragmont Sparkling Punch."



"O.K., gang! Where's Kathy," asks Mr. Joe Zucca, who is the Sierra Club advisor. The Sierra Club was on a hike to Stone Dam in the San Francisco Watershed when foul play occurred.



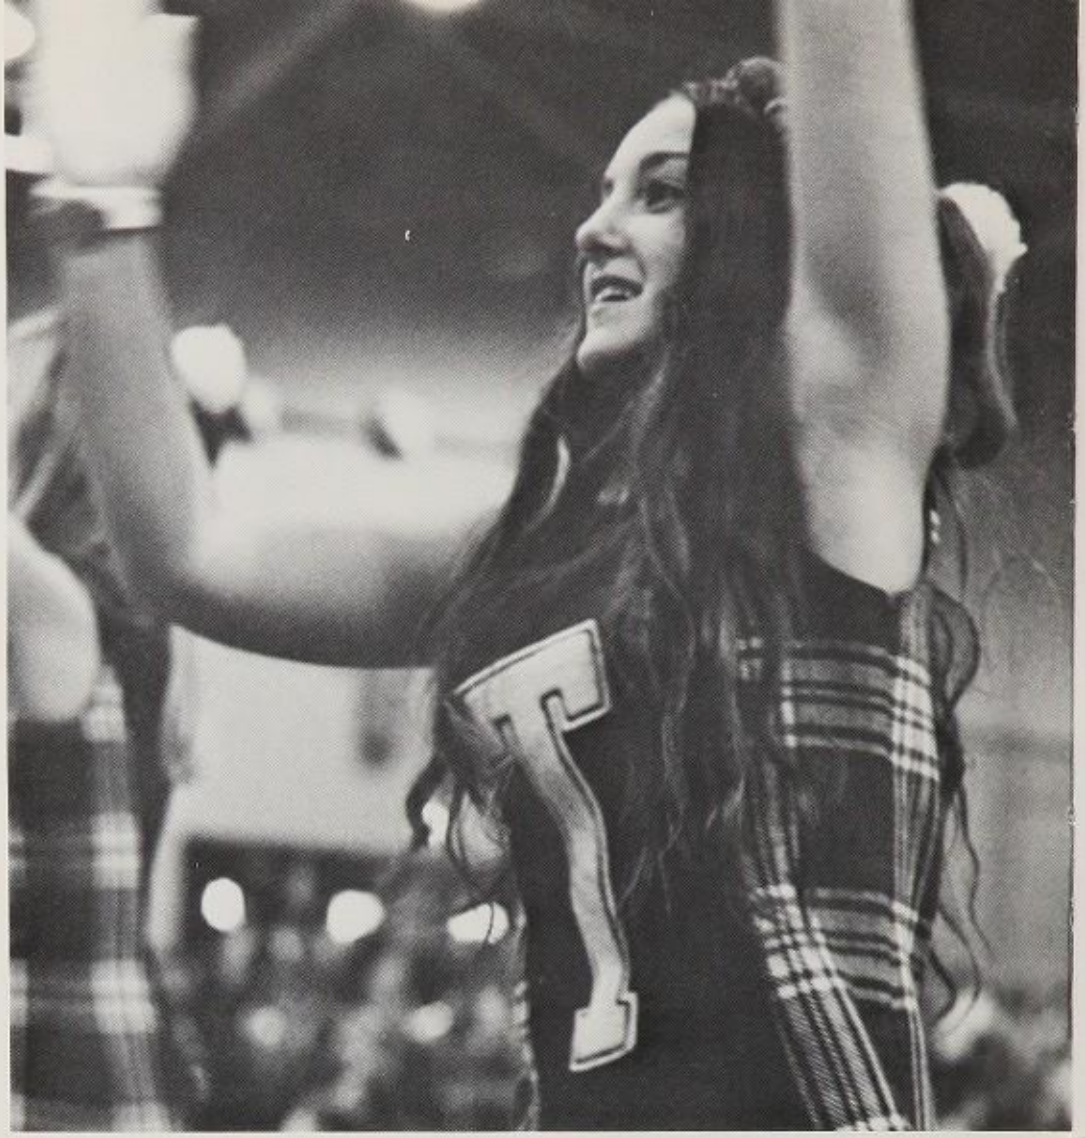
"You mean she has actually been kidnapped," inquires Bev Jungsten. Notice the can of Punch in Bev's hand. Kevin Sea is sitting remorsefully in the background.

"NO, we haven't seen her; we're cola freaks!'

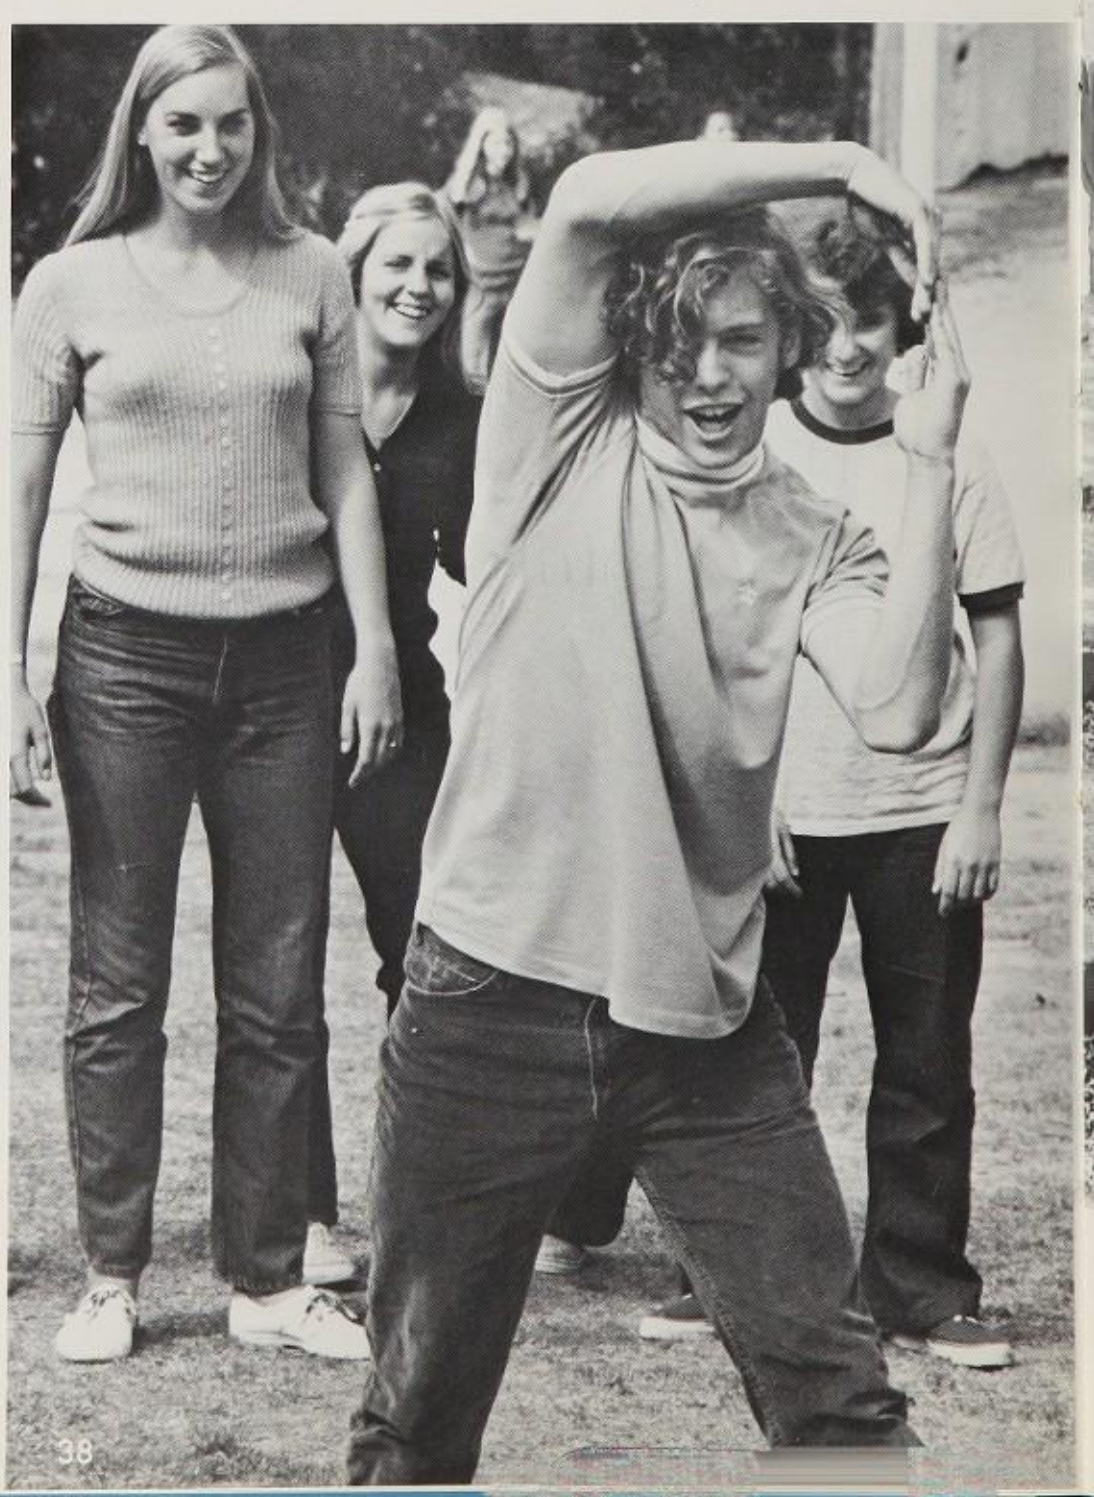
The caper is solved! Kathy is found! Thanks to the people at the "Cragmont Sparkling Punch" cannery who insisted this story have a happy ending. Joe Zucca is the photographer.

Mascot Liz Ishida practices a cheer for upcoming Homecoming game. Liz had a good reason for looking happy. She had just heard that Reno increased the odds favoring a Carlmont football victory.

# Cheerleaders



Letter "T", Alison Schwaninger.



Student Body President Marty Hyatt teaches head letter girl Linda Weiss a new cheer. Onlookers are Chris Knecht behind Linda, and Sue Janigian behind Marty.

Kerry Batdorf, a former Mascot, led cheerleaders as Spirit Commissioner.

Pompon girl Darlene Ferrero is a good candidate for a mountaineering class, but the cheerleader made it to the top despite her lack of experience. There to assist Darlene to the roof are fellow pompon girls (from **LEFT TO RIGHT)** Lyn Coyle, Cyndi Wallace, Linda Love and Joanna Ravella. By the way, why were the girls on the roof?

Campus aid Leo Johnson.

Pompon girl Joann Ravella camps out at the football field in between games. When this picture was taken on Tuesday she had only a short three days until the Homecoming game. The Scots beat San Carlos and Joann was there (before anybody else) to lead several cheers.

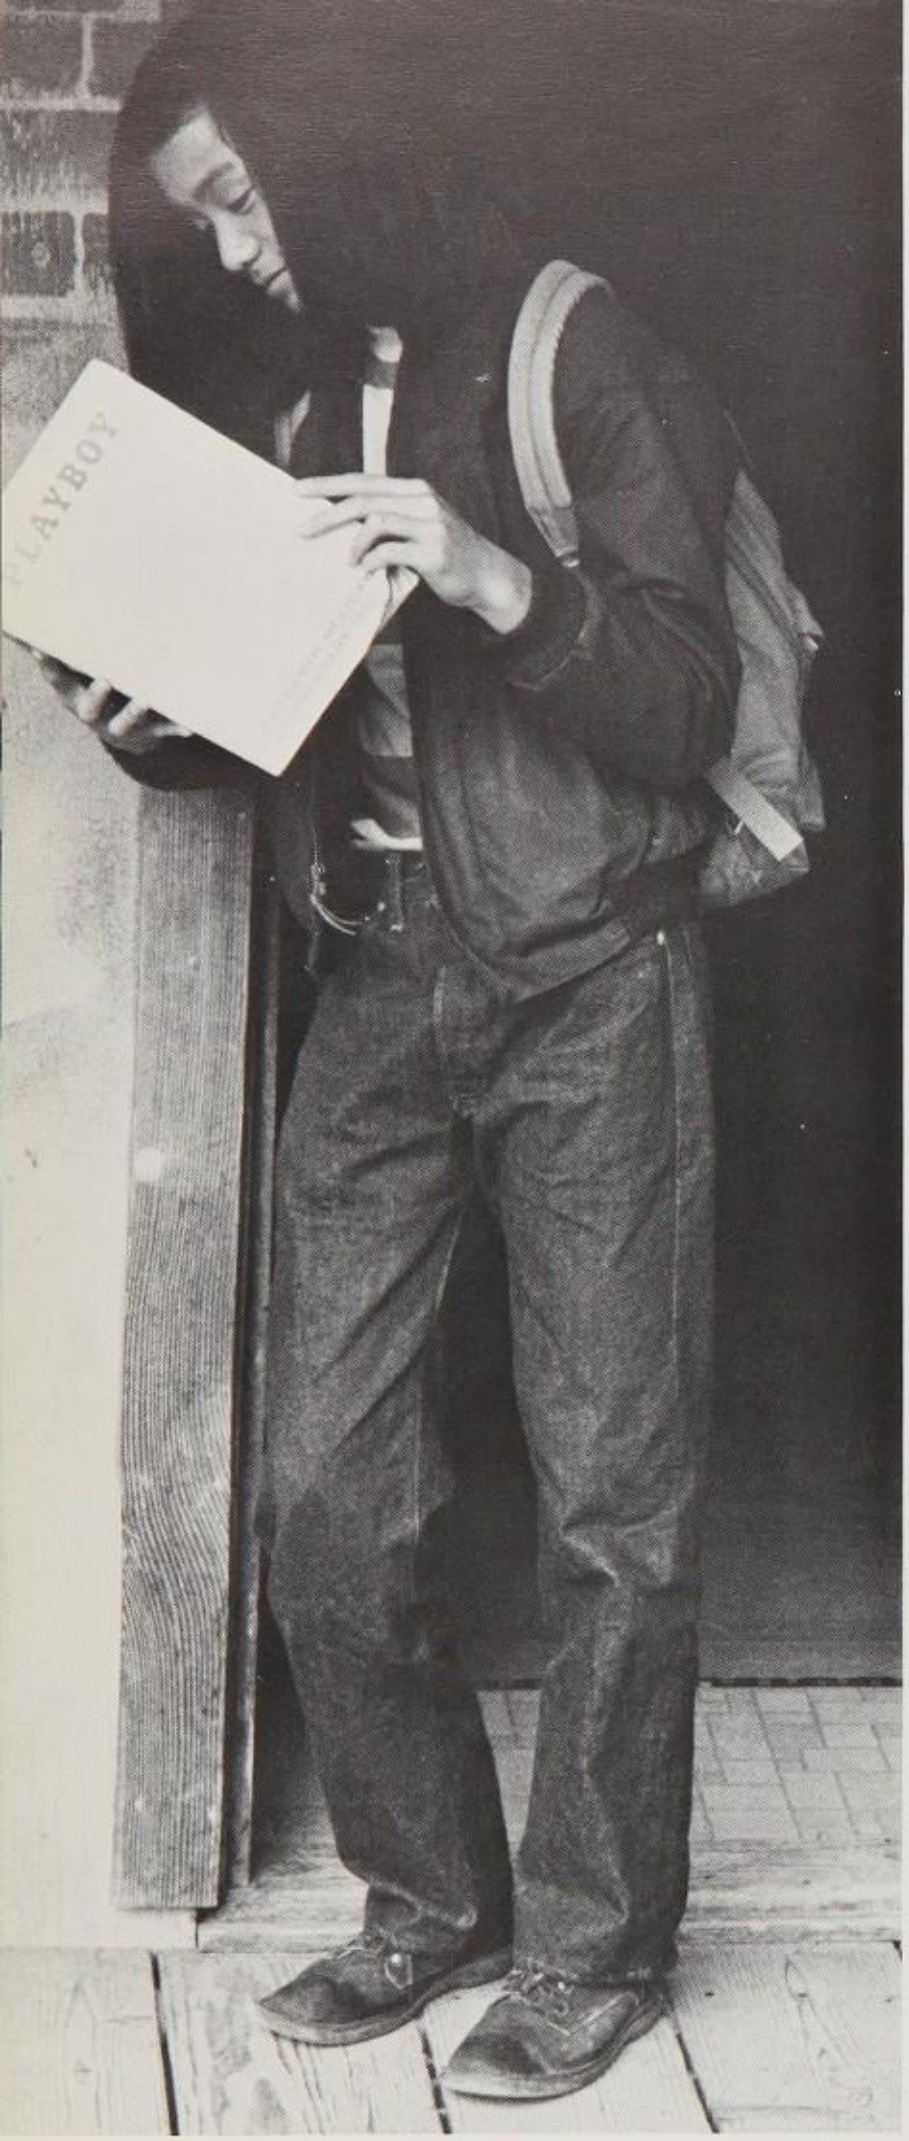
Dave Weiss and Pam Gibson fight desperately for the ball.

Sue Janigian lets the ball slip through her fingers for a point. Bob Hays and Laura Medley helplessly watch as disaster befalls the team. Hand at upper left hand corner is unidentified.

Emma Morris had to stay home and do the dishes.



Sophomore legislator Emory Fong is seen reading his favorite periodical, "National Riflemen Magizine."

Junior Mariam Noda was born at Pinar del Rio, Cuba and lived there for fifteen years before moving to Belmont. Mariam believes, "School is easier here than in Cuba."

# Varsity Season Summary

This year's varsity football season was quite surprising as we started with a number of losses. Then as consecutively as we had lost, we began to win and started a winning streak which continued to the end of the season. Final record being 5 wins, 3 losses, 1 tie. We tied for third place in the league. The team was number one in defense, pass defense and rushing in the league. Many players such as Rob Lee, Mark Speckman, Howard Avila, Steve Lee and Danny Elder made First Team All-League. Howard Avila lead league rushing with 747 yards and 6.2 yards per carry.

Larry Gullette

This year's football team showed their best abilities by using running plays this season. Shown here are a few players who were important factors in these plays. Shown are Ricky Day, whose long yardage running greatly helped our game. Howard Avila, who is a returning veteran, is known for his outstanding ability as a running back. Also Larry Gullette, a first year varsity player, shows good promise for next year.

# Varsity's Defense

Varsity's defense this year was quite outstanding despite a slow start in the beginning of the season. Frustration was felt many times when an opposing player slipped by. Fortunately we made some good defensive stops, such as Randy Hobbs' stop shown here. Defense was not the only one to feel frustration, as clearly illustrated by the picture of Chris Lueder missing a pass on the one yardline. Despite some of the bad breaks Carlmont had this year, the team ended up with a streak of shut-outs against their opposers and finished with a fairly good season record.

The Scots were a well-rounded team with 9 team-working individuals. Angie Papangellin, Most Improved Player, was the team's best hustler on defense at her guard position and best play-maker on offense. Zena Fobbs, who had good ball-handling abilities, along with Kim Mark, who was an excellent rebounder, rounded out the starting team.

Coming off the bench to do excellent jobs were guard Barbie Papangellin, fowards Kerry Keeffe and Loie Varwig, and center Emma Morris.

The Scots hope for another great season next year since only two of the nine were Seniors.

# FACULTY

# In Memoriam

Betty Olive

Mrs. Betty Olive was a young, black, beautiful woman who was loved and admired by all. She will never be forgotten because of her love and concern for everyone. Both faculty and students will remember her as a person who was able to preserve her integrity and spiritual beauty while doing the impossible job of fighting for the rights of each individual without being prejudice or biased.

Bill Hurst

All of us were saddened by the passing of Bill Hurst, a member of the Carlmont faculty for eighteen years. His entire life was dedicated to his work in athletics and to the youngsters in his charge. Bill's competitive attitude regarding life perhaps can be reflected in these few words, "What one has, one ought to use, and whatever he does, he should do with all his might."

Agnus Belton

We will all miss Agnus Belton who passed away last September. She had been director of the bookroom during the past four years. Mrs. Belton's friendly personality and happy attitude toward life will be well remembered by those who knew her. She always brightened up the day of those who needed assistance in the bookroom. She will be missed by the faculty and the students who worked with her.

# Administration

Carlmont's administration brought us through the 1972-1973 school year, solving our many problems in the best interests of our school and its students. Dr. Bill Craig provided direction and leadership for the administration and student body. Our vice-principals, Fred Mangini and Bernice stewart, worked closely with students to help them with both disciplinary and personal matters. Fran Ferry and the counseling department fought through the problems of A-B scheduling and advised students on their program choices and plans for college. Marion McDowell, our student activities director, spent the year coordinating student body functions to make the year a memorable one for all involved.

# Last Laughs

See no evil, hear no evil, well two out of three ain't bad.

Fraud Mancene

A graph per day keeps the bad grades away.

. . .Rollins

What's the difference between a bicycle and an orange? (see answer on page 306)

It is not a fact that California is slipping into the Pacific Ocean, it's a fact that the rest of America is slipping into the Atlantic Ocean.

There would be no more wars if man had to eat everything he killed.

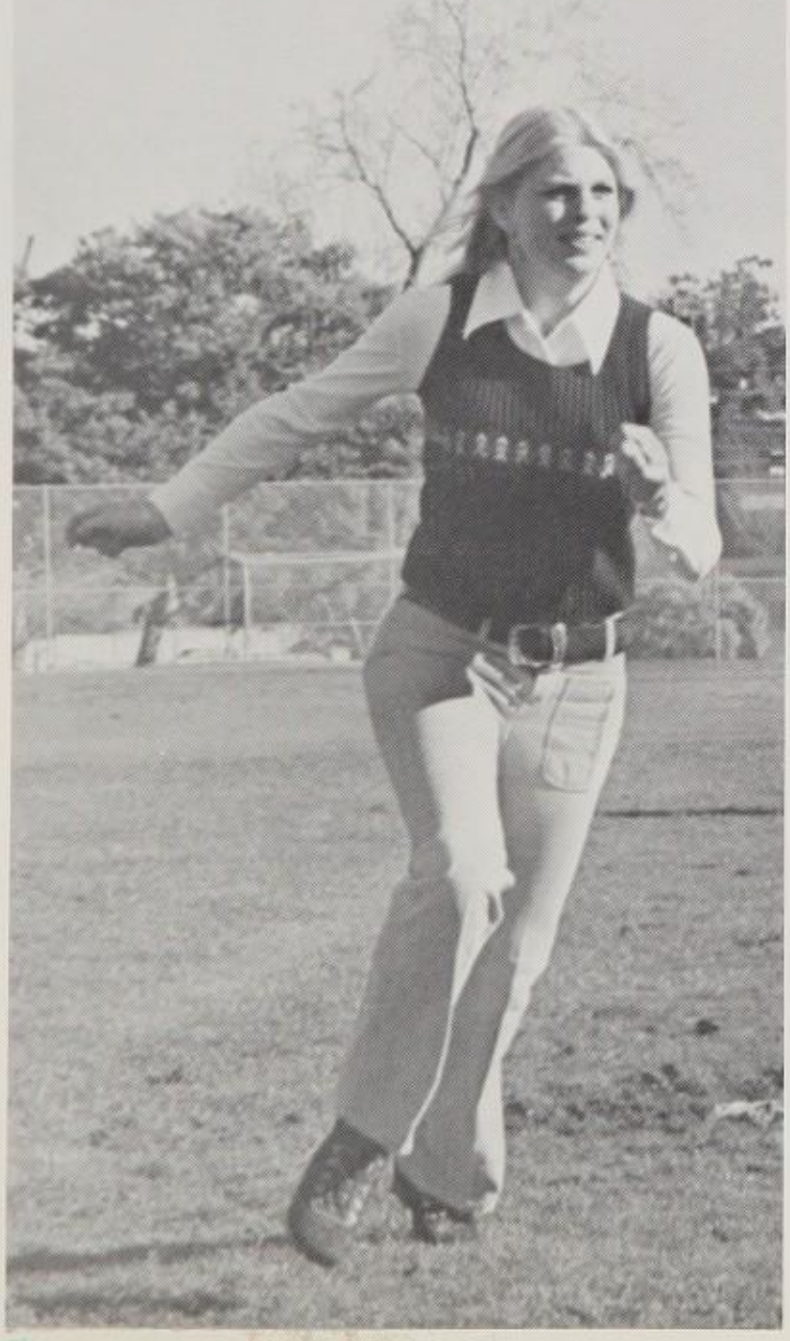
The Yearbook staff is not responsible for these half-witted attempts at humor.

# Swann at the Bat

The outlook wasn't brilliant for the Carlmont nine that day;
The score stood four to two with but one more out to play.
Also the next batter — rookie Bennie Echols— had never got a hit,
But fortunately assistant coach, Liz Jones, encouraged him just a bit.
Bennie Echols had to give that ball a gigantic rip
To help his team win the co-ed P.E. championship.
And to the wonderment of all,
He nearly tore the cover off the ball.
When the dust had settled and the view became clearer,
There on first stood Bennie, and home plate for him had never been nearer.

Judy Mendershausen is quite a strike out victim,
But this time she really tricked 'em.
It was the most beautiful bunt ever wished for,
Nobody could ask for more.
Well anyway, it got Judy on first.
A strikeout would have been the worst.

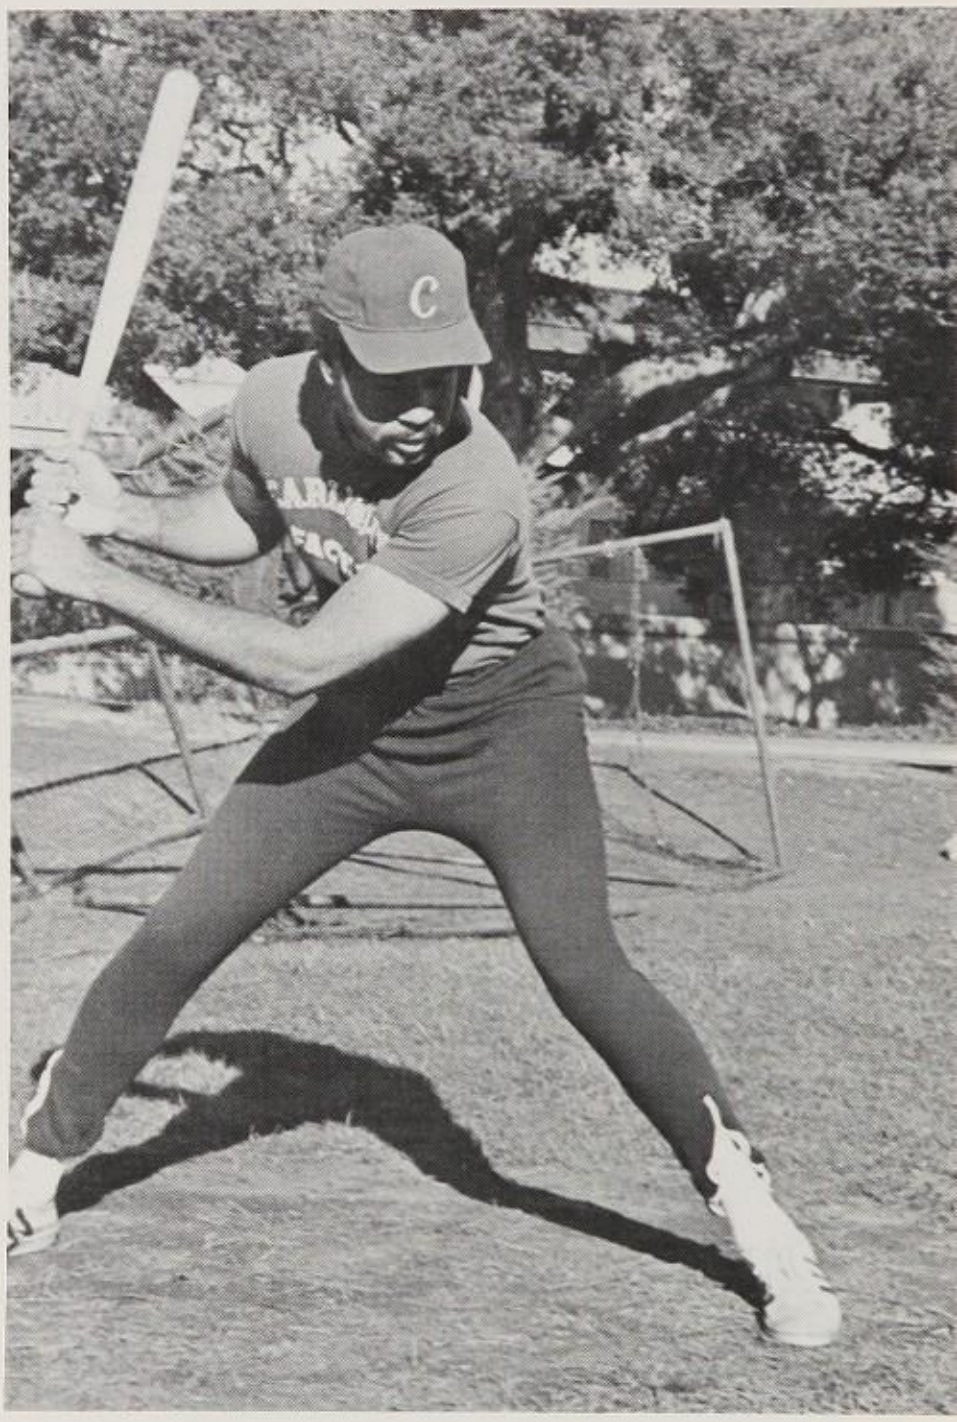
Gary Castro and Corie Peterson stretch out in photo just atop.
They are anxious to see Mighty Swann give that ball a pop.
If co-ed P.E. teacher Al Swann can get to bat,
The game will be won - you could bet on that.



# A Run Scores! Oh Whoopie!

Donna Young, a part time powder puff,
Hit her pitch and demonstrated she is sometimes very tough.
Donna bounced the ball off the left field score board,
And things looked better for a run had scored.

# Mighty Swann



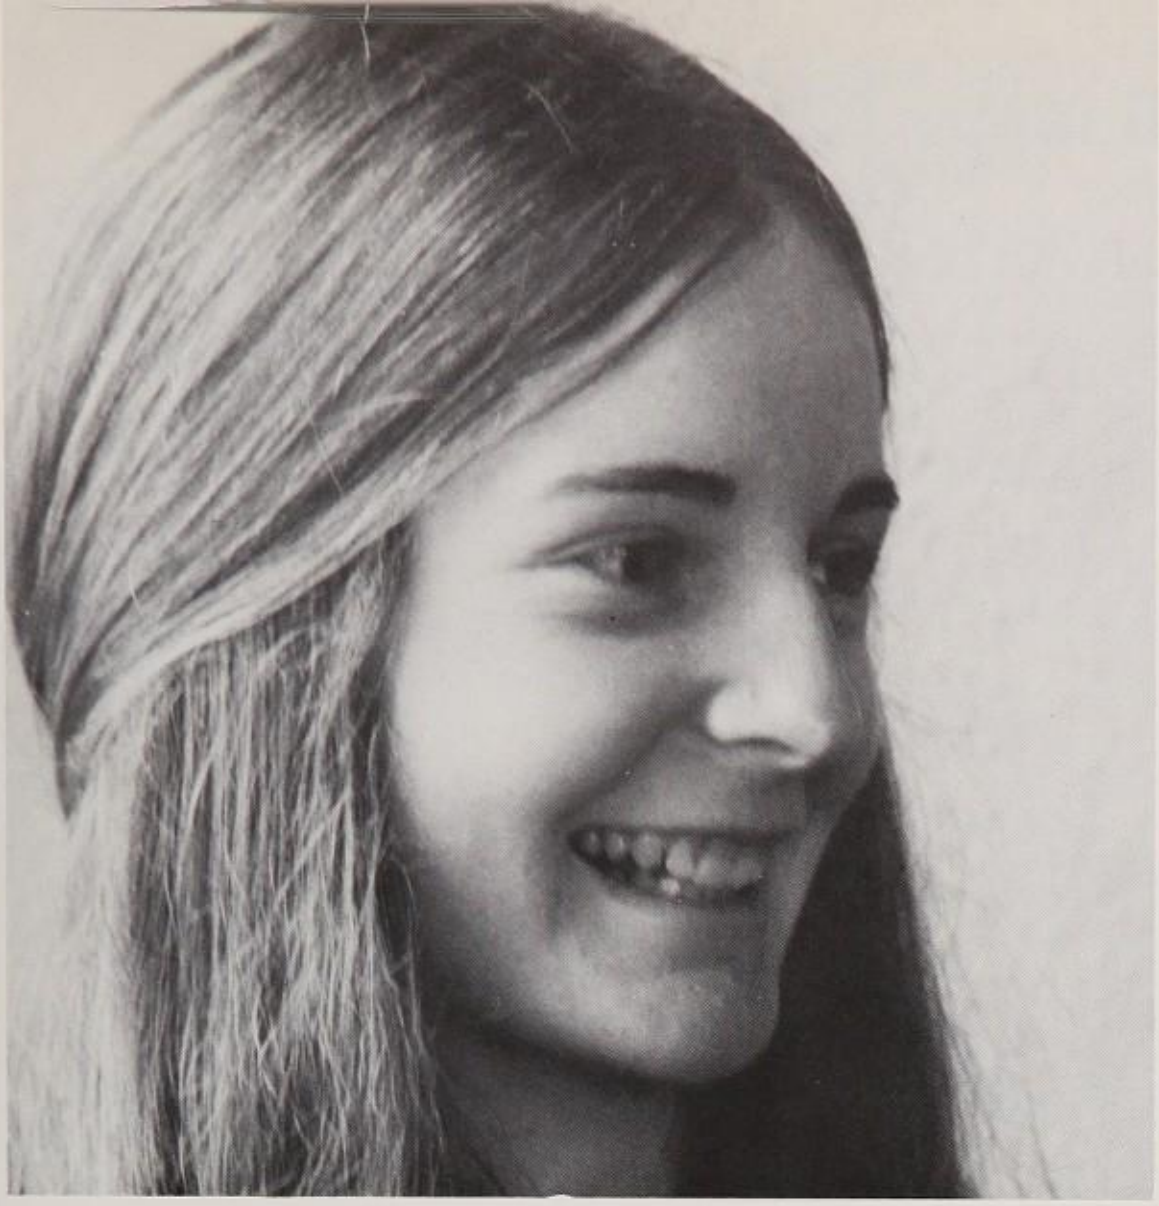
Next in the line-up came a young gal with a smile.
Miss Suzy Walter whacked that ball a mile,
But only a single Suzy could muster
'cause she was slowed when bit by a dog named "Buster."
Mr. Swann is the next batter for the Carlmont nine,
Everything seemed to be just fine.

Oh, somewhere in this favored land, co-ed P.E. students are laughing;
And somewhere co-ed P.E. students shout.
But there is no joy in Carlmont,
For Mighty Swann has . . . . . .

# Struck Out!

The yearbook gives its thanks to Ernest Lawrence Thayer, who wrote the poem, "Casey at the Bat."

# And Even More Campus Candids



Senior Mary Anne Rogers is known as "Roges" to her closest friends.

"So if Columbus wasn't financed by a Jewish Bank . . . . . he might never have made it to the New World," states "Ohio Jack" Fendell. His nickname of "Ohio Jack" might have originated because he hails from the "Buck-eye" state.

CARLMONT SCOTS

A successful Carlmont Scots Booster Club is one which fullfills its goals of instilling good sportsmanship, loyalty and honesty in our young people.

These goals can only be attained by the contribution of interest, time and dollars by many people. There is nothing more encouraging to a son or daughter than to see their parents at every game or function in which they are participating.

You and your friends are encouraged to work and join with us in making the coming year the greatest ever for Carlmont High School.

# Campus Candids We Just Couldn't Leave Out!

Angela DeWree was co-chairwoman for the 50's dance (also known as the Bop) held in February. Angela's also commissioner of the Communications Board. . . . .I'd sure like to communicate with her.
